Scouting encourages a boy to have some fun, excitement, outdoor adventure, and a chance to participate in a program in which he doesn't always have to win. It is based on one simple principle:

"Do your best"

and have fun while doing it - if this sounds good then we have the program for you!

Cub Scouting is a home and neighborhood centered program designed to support and encourage quality family involvement for boys.

Each Cub Scout learns to respect his home, country, and other people.

The program also helps boys

Develop personal independence.
Learn new physical skills through sports, crafts, and games.
Learn how to get along with others through group activities.
Improve upon mental skills such as writing and calculating.
Learn to make values-based decisions that assist them throughout their adult life

Now is your chance to get him involved and signed up for Cub Scouting.

For more information about how your son can join, please contact:
Raju Ranadive at 609-665-3848 or by email rsuper77@yahoo.com or visit our website:
